**1. BORROWER'S PROMISE TO PAY**

In return for a loan that I have received, I promise to pay U.S. \$500,900.00 (this amount is called "Principal"), plus interest, to the order of the Lender. The Lender is INDYMAC BANK, F. S. B. a federally chartered savings bank. I will make all payments under this Note in the form of cash, check or money order.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

**2. INTEREST**

This Note, as amended by the attached Residential Construction Loan Addendum Amending Note (the "Addendum"), represents both a construction/home improvement loan and a permanent mortgage loan. During the Construction Period of the loan, the Note Holder will advance funds in accordance with the Residential Construction Loan Agreement. The "Construction Period" is defined as the period beginning on the date of the Note and ending on the first day of the month preceding the due date of the first monthly payment of principal and interest stated in the Note ("Permanent Loan Commencement Date") if Completion (as defined in the Residential Construction Loan Agreement) has occurred before that date in accordance with the Residential Construction Loan Agreement. If Completion has not occurred by that date, I will be in default under the Addendum and under this Note. If Completion has occurred prior to the Permanent Loan Commencement Date, then the loan evidenced by this Note will automatically become a permanent mortgage loan on the Permanent Loan Commencement Date, and the provisions of the Addendum will cease to be in effect and all terms and conditions of the loan will be as set forth in this Note on the Permanent Loan Commencement Date.

I will pay interest beginning on the Permanent Loan Commencement Date at the Initial Interest Rate. The "Initial Interest Rate" will be calculated by adding (i) the Index described in Section 4(B) of this Note that is most recently available as of the day that is 45 days prior to the Permanent Loan Commencement Date, to (ii) the Margin described in Section 4(C), and (iii) Three and Three Quarters percentage points (3.750 %), and rounding the result to the nearest one-eighth percentage point (0.125%), except that the Initial Interest Rate may not be more than the Maximum Rate shown in Section 4(D) of this Note. If Completion (as defined in the Residential Construction Loan Agreement) has occurred on schedule and the Permanent Loan Commencement Date therefore occurs on or before the required Completion Date set forth in the Residential Construction Loan Agreement, and if there has been no default on or before that date under the Note or the Residential Construction Loan Agreement, then I will have a one-time option to choose to have the interest rate set forth in Section 2(A) of the Residential Construction Loan Addendum Amending Note carry over and be the Initial Interest Rate instead of having the Initial Interest Rate determined in accordance with the preceding formula. If I want to exercise this option, I will notify the Note Holder in writing prior to the Permanent Loan Commencement Date.

The interest rate I will pay will change in accordance with Section 4 of this Note.

The interest rate required by this Section 2 and Section 4 of this Note is the rate I will pay both before and after any default described in Section 7(B) of this Note.

### 3. PAYMENTS

#### (A) Time and Place of Payments

I will pay Principal and interest by making a payment every month.

I will make my monthly payment on the 1st day of each month beginning on September 1, 2008. I will make these payments every month until I have paid all of the Principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on August 1, 2038, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at 3465 EAST FOOTHILL BLVD  
PASADENA, CA 91107

or at a different place if required by the Note Holder.

#### (B) Amount of My Initial Monthly Payments

Each of my initial monthly payments will be in an amount calculated as follows (the "Initial Payment Amount"). After determining the Initial Interest Rate, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Permanent Loan Commencement Date in full on the Maturity Date at my Initial Interest Rate in substantially equal payments. My Initial Payment Amount will change in accordance with Sections 3(C) and 4(C) of this Note.

#### (C) Monthly Payment Changes

Changes in my monthly payment will reflect changes in the unpaid principal of my loan and in the interest rate that I must pay. The Note Holder will determine my new interest rate and the changed amount of my monthly payment in accordance with Section 4 of this Note.

### 4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

#### (A) Change Dates

The interest rate I will pay may change on the 1st day of August, 2011, and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

#### (B) The Index

Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the average of Interbank offered rates for one-year U.S. dollar-denominated deposits in the London market ("Libor"), as published in *The Wall Street Journal*.

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

#### (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding Three and Three Quarters percentage point(s) ( 3.750 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

#### (D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 11.000 % or less than 7.000 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than Two percentage points (s) ( 2.000 %) from the rate of interest I have been paying for the preceding 12 months. My interest rate will never be greater than 15.000 %.

Initials

NH

**(E) Effective Date of Changes**

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

**(F) Notice of Changes**

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

**5. BORROWER'S RIGHT TO PREPAY**

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

I may make a full Prepayment or partial Prepayments without paying a Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due dates of my monthly payment unless the Note Holder agrees in writing to those changes. My partial Prepayment may reduce the amount of my monthly payments after the first Change Date following my partial Prepayment. However, any reduction due to my partial Prepayment may be offset by an interest rate increase.

**6. LOAN CHARGES**

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

**7. BORROWER'S FAILURE TO PAY AS REQUIRED****(A) Late Charges for Overdue Payments**

If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 2.000 % of my overdue payment of Principal and interest. I will pay this late charge promptly but only once on each late payment.

**(B) Default**

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

**(C) Notice of Default**

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

**(D) No Waiver By Note Holder**

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

**(E) Payment of Note Holder's Costs and Expenses**

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

## 8. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by delivering it or by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

## 9. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

## 10. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

## 11. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

(A) Until my initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section 4 above, Uniform Covenant 18 of the Security Instrument shall read as follows:

**Transfer of the Property or a Beneficial Interest in Borrower.** As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

(B) When my initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section 4 above, Uniform Covenant 18 of the Security Instrument described in Section 11(A) above shall then cease to be in effect, and Uniform Covenant 18 of the Security Instrument shall instead read as follows:

**Transfer of the Property or a Beneficial Interest in Borrower.** As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

# **ADDENDUM TO ADJUSTABLE RATE NOTE (Prepayment)**

Loan #: 125618988-PERM

THIS ADDENDUM is made this 27th day of July, 2007, and is incorporated into and intended to form a part of an Adjustable Rate Note dated the same date as this Addendum.

1. Section 5 of the Adjustable Rate Note is modified to provide that I have the right to make payments of principal at any time before they are due. A Prepayment of all of the unpaid principal is known as a "Full Prepayment." A Prepayment of only part of the unpaid principal is known as a "Partial Prepayment."

Except as provided below, I may make a Full Prepayment or a Partial Prepayment at any time without paying any Prepayment charge. If within the first One ( 1 ) year(s) I make a Partial Prepayment or Partial Prepayment(s) of less than twenty percent (20%) of the original principal amount in any twelve (12) month period, I will not pay a Prepayment penalty. However, if within the first One ( 1 ) year(s), I make a Full Prepayment, Partial Prepayment or Partial Prepayments of more than twenty percent (20%) of the original principal amount in any 12-month period, I will pay a Prepayment charge in an amount equal to the payment of six (6) months' advance interest on the amount prepaid in excess of twenty percent (20%) of the original principal amount.

If I make a Partial Prepayment equal to one or more of my monthly payments, the due date of my next scheduled monthly payment may be advanced no more than one month. If I make a Partial Prepayment in any other amount, I must still make all subsequent monthly payments as scheduled.

2. All other provisions of the Adjustable Rate Note are unchanged by this Addendum and remain in full force and effect.

**RESIDENTIAL CONSTRUCTION LOAN  
ADDENDUM AMENDING NOTE  
(Multistate)**

THIS Addendum is incorporated into and shall be deemed to amend and supplement the Note ("Note"), of even date herewith, given by the undersigned Borrower ("Borrower" whether one or more) to evidence Borrower's indebtedness to the Note Holder, which indebtedness is secured by that certain Security Instrument, of even date herewith, covering the premises described in the Security Instrument. Notwithstanding anything to the contrary set forth in the Note, Borrower hereby agrees to the following:

**1. CONSTRUCTION/PERMANENT LOAN**

This Note, as amended, represents both a construction/home improvement loan and a permanent mortgage loan. During the Construction Period of the loan, the Note Holder will advance funds in accordance with the Residential Construction Loan Agreement. The "Construction Period" is defined as the period beginning on the date of the Note and ending on the first day of the month preceding the due date of the first monthly payment of principal and interest stated in the Note ("Permanent Loan Commencement Date") if Completion (as defined in the Residential Construction Loan Agreement) has occurred before that date in accordance with the Residential Construction Loan Agreement. If Completion has not occurred by that date, I will be in default under this Addendum and under the Note. If Completion has occurred prior to the Permanent Loan Commencement Date, then the loan evidenced by the Note will automatically become a permanent mortgage loan on the Permanent Loan Commencement Date, and the provisions of this Addendum will cease to be in effect and all terms and conditions of the loan will be as set forth in the Note on the Permanent Loan Commencement Date.

**2. INTEREST**

**(A) Interest During the Construction Period**

I will pay interest only on the amount advanced at the yearly rate of 9.000 %. Note Holder will calculate interest by applying a daily interest rate (determined by dividing the yearly rate by 360) to the actual outstanding balance for each day (calculating each day's outstanding balance by taking the beginning balance for that day and adding any advances made that day and subtracting any payments received or credits for that day) in the billing period, and by adjusting each billing period to equal 30 days as follows: (i) for billing periods of 31 days, Note Holder will calculate interest only for the first 30 days and will ignore the 31st day, and (ii) for a billing period of 28 or 29 days, Note Holder will calculate interest for the first 28 or 29 days in the normal manner, and will calculate interest for the remaining one or two days of the adjusted 30-day billing period by treating the outstanding balance on the last day of the billing period as the outstanding balance for such remaining one or two days of the billing period. Note Holder will calculate the interest due for each month and will mail to me a statement of the amount of interest due. I can determine the amount of interest due at any time by calling the number given to me for such inquiries by the Note Holder or Note Holder may permit me to access an internet site designated by the Note Holder for such information. I will make payments each month in the amount of the interest accrued for the prior month on or before the first (1st) day of each month. Interest will accrue on a daily basis until payment is received, and all accrued but unpaid interest for the Construction Period shall be due and payable on the Permanent Loan Commencement Date. I agree that to the extent the Loan Budget Worksheet/Line Item Cost Breakdown, as defined in the Residential Construction Loan Agreement, includes undisbursed funds allocated to interest reserve, Note Holder is authorized, in its discretion, to establish a interest reserve from the proceeds of the loan evidenced by the Note, or from the borrower's Funds Account (as defined in the Residential Construction Loan Agreement), the amount of which interest reserve shall be established by Note Holder in its sole and absolute discretion, and Note Holder shall use such interest reserve to pay interest on the Note as it becomes due. I may, in my sole option, pay accrued interest each month by check made payable directly to Note Holder, but in the event such payment is not received from me by the scheduled payment date, I will be deemed not to have exercised such option for such interest payment, and Note Holder shall pay such interest payment from the interest reserve. Amounts advanced by Note Holder from the interest reserve shall accrue interest at the rates from time to time in effect hereunder.

**(B) Option to Choose Alternative Permanent Product**

I have a one-time option to choose an alternative permanent loan product at any time during the 30-day period immediately preceding the Permanent Loan Commencement Date if Completion (as defined in the Residential Construction Loan Agreement) has occurred before that date in accordance with the Residential Construction Loan Agreement and if there is no default under the Note, this Addendum or the Residential Construction Loan Agreement. If I choose to exercise this option, I may select another permanent phase loan product offered at the time I choose to exercise the option at the rates and under the terms and conditions that product is then being offered. If I exercise this option, I will sign a loan modification agreement and, if requested by Note Holder, a new Note reflecting the terms and conditions of the product that I have chosen. I understand that the terms and conditions, including interest rates of products that are offered change from time to time, and the terms and conditions, including interest rates of products that are offered at the time my option is effective may not be as attractive to me as the terms and conditions, including interest rates of products that are available at the time I sign this Addendum. If I want to exercise this option, I will notify the Note Holder in writing prior to the end of my option period, and if I do not so notify the Note Holder or if I fail for any reason to execute the required modification documents prior to the end of my option period, then the original terms and conditions of the Note will be the terms and conditions of the permanent phase of my loan beginning on the Permanent Loan Commencement Date.

**3. ADVANCES**

In the event Completion has not occurred for any reason prior to the required Completion Date specified in the Residential Construction Loan Agreement, I will be in default under the Note and this Addendum, and the Note Holder may choose any of the remedies available to it under applicable law. In such event, however, Note Holder shall have the option, in its sole and absolute discretion, to permit the loan to convert to a permanent loan as follows: (i) Note Holder shall make any remaining advances of construction funds under the Residential Construction Loan Agreement into an escrow or pledge account established for such purpose, (ii) funds may be transferred from such escrow or pledge account to the Direct Cost Disbursement Account upon Note Holder's approval and in accordance with Note Holder's instructions and upon satisfaction of any conditions for such disbursement in accordance with the Residential Construction Loan Agreement, (iii) the terms and conditions of the Residential Construction Loan Agreement shall continue until Completion has occurred, (iv) I will make payments of principal and interest on the entire amount advanced (not just on the amount disbursed) beginning on the scheduled Permanent Loan Commencement Date as if Completion had occurred as scheduled. Note Holder may require me to sign any documents it deems necessary or appropriate to effect such an arrangement, including documents granting Note Holder a security interest in the funds advanced, as a condition to agreeing to permit the conversion of my loan to a permanent loan.

**4. LATE CHARGES**

If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 2.000 % of my overdue payment. I will pay this late charge promptly but only once on each late payment.

**5. EVENTS OF DEFAULT AND ACCELERATION OF THE DEBT**

Note Holder may declare the entire unpaid principal balance and accrued interest due and payable under the terms of the Note, as amended by this Addendum if any payment of interest is not made when due during the Construction Period or if default should occur under any covenant, condition or agreement contained in the Loan Documents. The definition of Loan Documents includes the Note, as amended by this Addendum, Security Instrument securing the Note as amended and the Residential Construction Loan Agreement.

**6. CONFLICTS**

If any term or provision of this Addendum shall be in conflict with any term or provision of the Note, the term or provision of this Addendum shall control. This Addendum shall be interpreted under the laws of New York. Any provisions of this Addendum adjudged to be invalid shall be deemed amended from it, with the remainder of the provisions to be in full force and effect. Any remedies or rights of Note Holder expressed in this Addendum are cumulative of, and not exclusive of any other remedies and rights. Except as amended or supplemented hereby, the terms and provisions of the above referenced Note shall remain unchanged and in full force and effect.

**7. TERMINATION**

After the advance of all funds as necessary to complete the improvements, completion of the improvements, and the satisfaction of all conditions as described in the Residential Construction Loan Agreement, this Addendum will be null and void and no longer in effect, and any funds remaining in any construction account will be refunded to the Borrower or credited to the principal balance.

HCL 910

**8. NOTICE OF NO ORAL AGREEMENT**

The written Loan Agreement represents the final agreement between the parties and may not be contradicted by evidence of prior, contemporaneous, or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Addendum.

**BORROWER'S TRANSFER TO LENDER OF RIGHTS IN THE PROPERTY**

I mortgage, grant and convey the Property to Lender subject to the terms of this Security Instrument. This means that, by signing this Security Instrument, I am giving Lender those rights that are stated in this Security Instrument and also those rights that Applicable Law gives to lenders who hold mortgages on real property. I am giving Lender these rights to protect Lender from possible losses that might result if I fail to:

- (A) Pay all the amounts that I owe Lender as stated in the Note including, but not limited to, all renewals, extensions and modifications of the Note;
- (B) Pay, with interest, any amounts that Lender spends under this Security Instrument to protect the value of the Property and Lender's rights in the Property; and
- (C) Keep all of my other promises and agreements under this Security Instrument and the Note .

**DESCRIPTION OF THE PROPERTY**

I give Lender rights in the Property described in (A) through (G) below:

(A) The Property which is located at  
217 FREEBORNE STREET

*JMB NH*

**BORROWER'S RIGHT TO MORTGAGE THE PROPERTY AND BORROWER'S OBLIGATION TO DEFEND OWNERSHIP OF THE PROPERTY**

I promise that: (A) I lawfully own the Property; (B) I have the right to mortgage, grant and convey the Property to Lender; and (C) there are no outstanding claims or charges against the Property, except for those which are of public record.

I give a general warranty of title to Lender. This means that I will be fully responsible for any losses which Lender suffers because someone other than myself has some of the rights in the Property which I promise that I have. I promise that I will defend my ownership of the Property against any claims of such rights.

**PLAIN LANGUAGE SECURITY INSTRUMENT**

This Security Instrument contains promises and agreements that are used in real property security instruments all over the country. It also contains other promises and agreements that vary in different parts of the country. My promises and agreements are stated in "plain language."

**COVENANTS**

I promise and I agree with Lender as follows:

**1. Borrower's Promise to Pay.** I will pay to Lender on time principal and interest due under the Note and any prepayment, late charges and other amounts due under the Note. I will also pay all amounts for Escrow Items under Section 3 of this Security Instrument.

Payments due under the Note and this Security Instrument shall be made in U.S. currency. If any of my payments by check or other payment instrument is returned to Lender unpaid, Lender may require my payment be made by: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location required in the Note, or at another location designated by Lender under Section 15 of this Security Instrument. Lender may return or accept any payment or partial payment if it is for an amount that is less than the amount that is then due. If Lender accepts a lesser payment, Lender may refuse to accept a lesser payment that I may make in the future and does not waive any of its rights. Lender is not obligated to apply such lesser payments when it accepts such payments. If interest on principal accrues as if all Periodic Payments had been paid when due, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until I make payments to bring the Loan current. If I do not do so within a reasonable period of time, Lender will either apply such funds or return them to me. In the event of foreclosure, any unapplied funds will be applied to the outstanding principal balance immediately prior to foreclosure. No offset or claim which I might have now or in the future against Lender will relieve me from making payments due under the Note and this Security Instrument or keeping all of my other promises and agreements secured by this Security Instrument.

**2. Application of Borrower's Payments and Insurance Proceeds.** Unless Applicable Law or this Section 2 requires otherwise, Lender will apply each of my payments that Lender accepts in the following order:

First, to pay interest due under the Note;

Next, to pay principal due under the Note; and

Next, to pay the amounts due Lender under Section 3 of this Security Instrument.

Such payments will be applied to each Periodic Payment in the order in which it became due.

Any remaining amounts will be applied as follows:

First, to pay any late charges;

Next, to pay any other amounts due under this Security Instrument; and

Next, to reduce the principal balance of the Note.

If Lender receives a payment from me for a late Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the late Periodic Payment and the late charge. If more than one Periodic Payment is due, Lender may apply any payment received from me: First, to the repayment of the Periodic Payments that are due if, and to the extent that, each payment can be paid in full; Next, to the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due.

Voluntary prepayments will be applied as follows: First, to any prepayment charges; and Next, as described in the Note.

Any application of payments, Insurance Proceeds, or Miscellaneous Proceeds to principal due under the Note will not extend or postpone the due date of the Periodic Payments or change the amount of those payments.

### **3. Monthly Payments For Taxes And Insurance.**

#### **(a) Borrower's Obligations.**

I will pay to Lender all amounts necessary to pay for taxes, assessments, water charges, sewer rents and other similar charges, ground leasehold payments or rents (if any), hazard or property insurance covering the Property, flood insurance (if any), and any required Mortgage Insurance, or a Loss Reserve as described in Section 10 in the place of Mortgage Insurance. Each Periodic Payment will include an amount to be applied toward payment of the following items which are called "Escrow Items:"

(1) The taxes, assessments, water charges, sewer rents and other similar charges, on the Property which under Applicable Law may be superior to this Security Instrument as a Lien on the Property. Any claim, demand or charge that is made against property because an obligation has not been fulfilled is known as a "Lien;"

(2) The leasehold payments or ground rents on the Property (if any);

(3) The premium for any and all insurance required by Lender under Section 5 of this Security Instrument;

(4) The premium for Mortgage Insurance (if any);

(5) The amount I may be required to pay Lender under Section 10 of this Security Instrument instead of the payment of the premium for Mortgage Insurance (if any); and

(6) If required by Lender, the amount for any Community Association Dues, Fees, and Assessments.

After signing the Note, or at any time during its term, Lender may include these amounts as Escrow Items. The monthly payment I will make for Escrow Items will be based on Lender's estimate of the annual amount required.

I will pay all of these amounts to Lender unless Lender tells me, in writing, that I do not have to do so, or unless Applicable Law requires otherwise. I will make these payments on the same day that my Periodic Payments of principal and interest are due under the Note.

The amounts that I pay to Lender for Escrow Items under this Section 3 will be called "Escrow Funds." I will pay Lender the Escrow Funds for Escrow Items unless Lender waives my obligation to pay the Escrow Funds for any or all Escrow Items. Lender may waive my obligation to pay to Lender Escrow Funds for any or all Escrow Items at any time. Any such waiver must be in writing. In the event of such waiver, I will pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Escrow Funds has been waived by Lender and, if Lender requires, will promptly send to Lender receipts showing such payment within such time period as Lender may require. My obligation to make such payments and to provide receipts will be considered to be a promise and agreement contained in this Security Instrument, as the phrase "promises and agreements" is used in Section 9 of this Security Instrument. If I am obligated to pay Escrow Items directly, pursuant to a waiver, and I fail to pay the amount due for an Escrow Item, Lender may pay that amount and I will then be obligated under Section 9 of this Security Instrument to repay to Lender. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 of this Security Instrument and, upon the revocation, I will pay to Lender all Escrow Funds, and in amounts, that are then required under this Section 3.

I promise to promptly send to Lender any notices that I receive of Escrow Item amounts to be paid. Lender will estimate from time to time the amount of Escrow Funds I will have to pay by using existing assessments and bills and reasonable estimates of the amount I will have to pay for Escrow Items in the future, unless Applicable Law requires Lender to use another method for determining the amount I am to pay.

Lender may, at any time, collect and hold Escrow Funds in an amount sufficient to permit Lender to apply the Escrow Funds at the time specified under RESPA. Applicable Law puts limits on the total amount of Escrow Funds Lender can at any time collect and hold. This total amount cannot be more than the maximum amount a lender could require under RESPA. If there is another Applicable Law that imposes a lower limit on the total amount of Escrow Funds Lender can collect and hold, Lender will be limited to the lower amount.

**(b) Lender's Obligations.**

Lender will keep the Escrow Funds in a savings or banking institution which has its deposits insured by a federal agency, instrumentality, or entity, or in any Federal Home Loan Bank. If Lender is such a savings or banking institution, Lender may hold the Escrow Funds. Lender will use the Escrow Funds to pay the Escrow Items no later than the time allowed under RESPA or other Applicable Law. Lender will give to me, without charge, an annual accounting of the Escrow Funds. That accounting will show all additions to and deductions from the Escrow Funds and the reason for each deduction.

Lender may not charge me for holding or keeping the Escrow Funds, for using the Escrow Funds to pay Escrow Items, for making a yearly analysis of my payment of Escrow Funds or for receiving, or for verifying and totaling assessments and bills. However, Lender may charge me for these services if Lender pays me interest on the Escrow Funds and if Applicable Law permits Lender to make such a charge. Lender will not be required to pay me any interest or earnings on the Escrow Funds unless either (1) Lender and I agree in writing that Lender will pay interest on the Escrow Funds, or (2) Applicable Law requires Lender to pay interest on the Escrow Funds.

**(c) Adjustments to the Escrow Funds.**

Under Applicable Law, there is a limit on the amount of Escrow Funds Lender may hold. If the amount of Escrow Funds held by Lender exceeds this limit, then there will be an excess amount and RESPA requires Lender to account to me in a special manner for the excess amount of Escrow Funds.

If, at any time, Lender has not received enough Escrow Funds to make the payments of Escrow Items when the payments are due, Lender may tell me in writing that an additional amount is necessary. I will pay to Lender whatever additional amount is necessary to pay the Escrow Items when the payments are due, but the number of payments will not be more than 12.

When I have paid all of the Sums Secured, Lender will promptly refund to me any Escrow Funds that are then being held by Lender.

**4. Borrower's Obligation to Pay Charges, Assessments and Claims.** I will pay all taxes, assessments, water charges, sewer rents and other similar charges, and any other charges and fines that may be imposed on the Property and that may be superior to this Security Instrument. I will also make ground rents or payments due under my lease if I am a tenant on the Property and Community Association Dues, Fees, and Assessments (if any) due on the Property. If these items are Escrow Items, I will do this by making the payments as described in Section 3 of this Security Instrument. In this Security Instrument, the word "Person" means any individual, organization, governmental authority or other party.

I will promptly pay or satisfy all Liens against the Property that may be superior to this Security Instrument. However, this Security Instrument does not require me to satisfy a superior Lien if: (a) I agree, in writing, to pay the obligation which gave rise to the superior Lien and Lender approves the way in which I agree to pay that obligation, but only so long as I am performing such agreement; (b) in good faith, I argue or defend against the superior Lien in a lawsuit so that in Lender's opinion, during the lawsuit, the superior Lien may not be enforced, but only until the lawsuit ends; or (c) I secure from the holder of that other Lien an agreement, approved in writing by Lender, that the Lien of this Security Instrument is superior to the Lien held by that Person. If Lender determines that any part of the Property is subject to a superior Lien, Lender may give Borrower a notice identifying the superior Lien. Within 10 days of the date on which the notice is given, Borrower shall pay or satisfy the superior Lien or take one or more of the actions mentioned in this Section 4.

Lender also may require me to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with the Loan, unless Applicable Law does not permit Lender to make such a charge.

**5. Borrower's Obligation to Maintain Hazard Insurance or Property Insurance.** I will obtain hazard or property insurance to cover all buildings and other improvements that now are, or in the future will be, located on the Property. The insurance will cover loss or damage caused by fire, hazards normally covered by "Extended Coverage" hazard insurance policies, and any other hazards for which Lender requires coverage, including, but not limited to earthquakes and floods. The insurance will be in the amounts (including, but not limited to, deductible levels) and for the periods of time required by Lender. What Lender requires under the last sentence can change during the term of the Loan. I may choose the insurance company, but my choice is subject to Lender's right to disapprove. Lender may not disapprove my choice unless the disapproval is reasonable. Lender may require me to pay either (a) a one-time charge for flood zone determination, certification and tracking services, or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect the flood zone determination or certification. If I disagree with the flood zone determination, I may request the Federal Emergency Management Agency to review the flood zone determination and I promise to pay any fees charged by the Federal Emergency Management Agency for its review.

If I fail to maintain any of the insurance coverages described above, Lender may obtain insurance coverage, at Lender's option and my expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage will cover Lender, but might or might not protect me, my equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. I acknowledge that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that I could have obtained. Any amounts disbursed by Lender under this Section 5 will become my additional debt secured by this Security Instrument. These amounts will bear interest at the interest rate set forth in the Note from the date of disbursement and will be payable with such interest, upon notice from Lender to me requesting payment.

All of the insurance policies and renewals of those policies will include what is known as a "Standard Mortgage Clause" to protect Lender and will name Lender as mortgagee and/or as an additional loss payee. The form of all policies and renewals will be acceptable to Lender. Lender will have the right to hold the policies and renewal certificates. If Lender requires, I will promptly give Lender all receipts of paid premiums and renewal notices that I receive.

If I obtain any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy will include a Standard Mortgage Clause and will name Lender as mortgagee and/or as an additional loss payee.

If there is a loss or damage to the Property, I will promptly notify the insurance company and Lender. If I do not promptly prove to the insurance company that the loss or damage occurred, then Lender may do so.

The amount paid by the insurance company for loss or damage to the Property is called "Insurance Proceeds." Unless Lender and I otherwise agree in writing, any Insurance Proceeds, whether or not the underlying insurance was required by Lender, will be used to repair or to restore the damaged Property unless: (a) it is not economically feasible to make the repairs or restoration; (b) the use of the Insurance Proceeds for that purpose would lessen the protection given to Lender by this Security Instrument; or (c) Lender and I have agreed in writing not to use the Insurance Proceeds for that purpose. During the period that any repairs or restorations are being made, Lender may hold any Insurance Proceeds until it has had an opportunity to inspect the Property to verify that the repair work has been completed to Lender's satisfaction. However, this inspection will be done promptly. Lender may make payments for the repairs and restorations in a single payment or in a series of progress payments as the work is completed. Unless Lender and I agree otherwise in writing or unless Applicable Law requires otherwise, Lender is not required to pay me any interest or earnings on the Insurance Proceeds. I will pay for any public adjusters or other third parties that I hire, and their fees will not be paid out of the Insurance Proceeds. If the repair or restoration is not economically feasible or if it would lessen Lender's protection under this Security Instrument, then the Insurance Proceeds will be used to reduce the amount that I owe to Lender under this Security Instrument. Such Insurance Proceeds will be applied in the order provided for in Section 2. If any of the Insurance Proceeds remain after the amount that I owe to Lender has been paid in full, the remaining Insurance Proceeds will be paid to me.

Form 3033 1/01

If I abandon the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If I do not answer, within 30 days, a notice from Lender stating that the insurance company has offered to settle a claim, Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 of this Security Instrument or otherwise, I give Lender my rights to any Insurance Proceeds in an amount not greater than the amounts unpaid under the Note and this Security Instrument. I also give Lender any other of my rights (other than the right to any refund of unearned premiums that I paid) under all insurance policies covering the Property, if the rights are applicable to the coverage of the Property. Lender may use the Insurance Proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

**6. Borrower's Obligations to Occupy The Property.** I will occupy the Property and use the Property as my principal residence within 60 days after I sign this Security Instrument. I will continue to occupy the Property and to use the Property as my principal residence for at least one year. The one-year period will begin when I first occupy the Property. However, I will not have to occupy the Property and use the Property as my principal residence within the time frames set forth above if Lender agrees in writing that I do not have to do so. Lender may not refuse to agree unless the refusal is reasonable. I also will not have to occupy the Property and use the Property as my principal residence within the time frames set forth above if extenuating circumstances exist which are beyond my control.

**7. Borrower's Obligations to Maintain And Protect The Property And to Fulfill Any Lease Obligations.**

**(a) Maintenance and Protection of the Property.**

I will not destroy, damage or harm the Property, and I will not allow the Property to deteriorate. Whether or not I am residing in the Property, I will keep the Property in good repair so that it will not deteriorate or decrease in value due to its condition. Unless it is determined under Section 5 of this Security Instrument that repair is not economically feasible, I will promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or Condemnation (as defined in the definition of Miscellaneous Proceeds) proceeds are paid because of loss or damage to, or Condemnation of, the Property, I will repair or restore the Property only if Lender has released those proceeds for such purposes. Lender may pay for the repairs and restoration out of proceeds in a single payment or in a series of progress payments as the work is completed. If the insurance or Condemnation proceeds are not sufficient to repair or restore the Property, I promise to pay for the completion of such repair or restoration.

**(b) Lender's Inspection of Property.**

Lender, and others authorized by Lender, may enter on and inspect the Property. They will do so in a reasonable manner and at reasonable times. If it has a reasonable purpose, Lender may inspect the inside of the home or other improvements on the Property. Before or at the time an inspection is made, Lender will give me notice stating a reasonable purpose for such interior inspection.

**8. Borrower's Loan Application.** If, during the application process for the Loan, I, or any Person or entity acting at my direction or with my knowledge or consent, made false, misleading, or inaccurate statements to Lender about information important to Lender in determining my eligibility for the Loan (or did not provide Lender with such information), Lender will treat my actions as a default under this Security Instrument. False, misleading, or inaccurate statements about information important to Lender would include a misrepresentation of my intention to occupy the Property as a principal residence. This is just one example of a false, misleading, or inaccurate statement of important information.

**9. Lender's Right to Protect Its Rights in The Property.** If: (a) I do not keep my promises and agreements made in this Security Instrument; (b) someone, including me, begins a legal proceeding that may significantly affect Lender's interest in the Property or rights under this Security Instrument (such as a legal proceeding in bankruptcy, in probate, for Condemnation or Forfeiture (as defined in Section 11), proceedings which could give a Person rights which could equal or exceed Lender's interest in the Property or under this Security Instrument, proceedings for enforcement of a Lien which may become superior to this Security Instrument, or to enforce laws or regulations); or (c) I have abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and Lender's rights under this Security Instrument.

Lender's actions may include, but are not limited to: (a) protecting and/or assessing the value of the Property; (b) securing and/or repairing the Property; (c) paying sums to eliminate any Lien against the Property that may be equal or superior to this Security Instrument; (d) appearing in court; and (e) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Lender can also enter the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, have utilities turned on or off, and take any other action to secure the Property. Although Lender may take action under this Section 9, Lender does not have to do so and is under no duty to do so. I agree that Lender will not be liable for not taking any or all actions under this Section 9.

I will pay to Lender any amounts, with interest, which Lender spends under this Section 9. I will pay those amounts to Lender when Lender sends me a notice requesting that I do so. I will pay interest on those amounts at the interest rate set forth in the Note. Interest on each amount will begin on the date that the amount is spent by Lender. This Security Instrument will protect Lender in case I do not keep this promise to pay those amounts with interest.

If I do not own, but am a tenant on the Property, I will fulfill all my obligations under my lease. I also agree that, if I acquire the full title (sometimes called "Fee Title") to the Property, my lease interest and the Fee Title will not merge unless Lender agrees to the merger in writing.

**10. Mortgage Insurance.** If Lender required Mortgage Insurance as a condition of making the Loan, I will pay the premiums for the Mortgage Insurance. If, for any reason, the Mortgage Insurance coverage ceases to be available from the mortgage insurer that previously provided such insurance and Lender required me to make separate payments toward the premiums for Mortgage Insurance, I will pay the premiums for substantially equivalent Mortgage Insurance coverage from an alternate mortgage insurer. However, the cost of this Mortgage Insurance coverage will be substantially equivalent to the cost to me of the previous Mortgage Insurance coverage, and the alternate mortgage insurer will be selected by Lender.

If substantially equivalent Mortgage Insurance coverage is not available, Lender will establish a non-refundable "Loss Reserve" as a substitute for the Mortgage Insurance coverage. I will continue to pay to Lender each month an amount equal to one-twelfth of the yearly Mortgage Insurance premium (as of the time the coverage lapsed or ceased to be in effect). Lender will retain these payments, and will use these payments to pay for losses that the Mortgage Insurance would have covered. The Loss Reserve is non-refundable even if the Loan is ultimately paid in full and Lender is not required to pay me any interest on the Loss Reserve. Lender can no longer require Loss Reserve payments if: (a) Mortgage Insurance coverage again becomes available through an insurer selected by Lender; (b) such Mortgage Insurance is obtained; (c) Lender requires separately designated payments toward the premiums for Mortgage Insurance; and (d) the Mortgage Insurance coverage is in the amount and for the period of time required by Lender.

If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separate payments toward the premiums for Mortgage Insurance, I will pay the Mortgage Insurance premiums, or the Loss Reserve payments, until the requirement for Mortgage Insurance ends according to any written agreement between Lender and me providing for such termination or until termination of Mortgage Insurance is required by Applicable Law. Lender may require me to pay the premiums, or the Loss Reserve payments, in the manner described in Section 3 of this Security Instrument. Nothing in this Section 10 will affect my obligation to pay interest at the rate provided in the Note.

A Mortgage Insurance policy pays Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance policy.

Mortgage insurers assess their total risk on all Mortgage Insurance from time to time. Mortgage insurers may enter into agreements with other parties to share or change their risk, or to reduce losses. These agreements are based on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include Mortgage Insurance premiums).

As a result of these agreements, Lender, any owner of the Note, another insurer, any reinsurer, or any other entity may receive (directly or indirectly) amounts that come from a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or changing the mortgage insurer's risk, or reducing losses. If these agreements provide that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." It also should be understood that: (a) any of these agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. These agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund; and (b) any of these agreements will not affect the rights Borrower has - if any - regarding the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right (a) to receive certain disclosures, (b) to request and obtain cancellation of the Mortgage Insurance, (c) to have the Mortgage Insurance terminated automatically, and/or (d) to receive a refund of any Mortgage Insurance premiums that were not earned at the time of such cancellation or termination.

**11. Agreements About Miscellaneous Proceeds; Forfeiture.** All Miscellaneous Proceeds are assigned to and will be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds will be applied to restoration or repair of the Property, if (a) the restoration or repair is economically feasible, and (b) Lender's security given in this Security Instrument is not lessened. During such repair and restoration period, Lender will have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect the Property to verify that the work has been completed to Lender's satisfaction. However, the inspection will be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless Lender and I agree otherwise in writing or unless Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender will not be required to pay Borrower any interest or earnings on the Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security given in this Security Instrument would be lessened, the Miscellaneous Proceeds will be applied to the Sums Secured, whether or not then due. The excess, if any, will be paid to me. Such Miscellaneous Proceeds will be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds will be applied to the Sums Secured, whether or not then due. The excess, if any, will be paid to me.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the Sums Secured immediately before the partial taking, destruction, or loss in value, the Sums Secured will be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the Sums Secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to me.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the Sums Secured immediately before the partial taking, destruction, or loss in value, the Miscellaneous Proceeds will be applied to the Sums Secured whether or not the sums are then due.

If I abandon the Property, or if, after Lender sends me notice that the Opposing Party (as defined in the next sentence) offered to make an award to settle a claim for damages, I fail to respond to Lender within 30 days after the date Lender gives notice, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the Sums Secured, whether or not then due. "Opposing Party" means the third party that owes me Miscellaneous Proceeds or the party against whom I have a right of action in regard to Miscellaneous Proceeds.

I will be in default under this Security Instrument if any civil or criminal action or proceeding that Lender determines could result in a court ruling (a) that would require Forfeiture of the Property, or (b) that could damage Lender's interest in the Property or rights under this Security Instrument. "Forfeiture" is a court action to require the Property, or any part of the Property, to be given up. I may correct the default by obtaining a court ruling that dismisses the court action, if Lender determines that this court ruling prevents Forfeiture of the Property and also prevents any damage to Lender's interest in the Property or rights under this Security Instrument. If I correct the default, I will have the right to have enforcement of this Security Instrument discontinued, as provided in Section 19 of this Security Instrument, even if Lender has required Immediate Payment in Full (as defined in Section 22). The proceeds of any award or claim for damages that are attributable to the damage or reduction of Lender's interest in the Property are assigned, and will be paid, to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property will be applied in the order provided for in Section 2.

## **12. Continuation of Borrower's Obligations And of Lender's Rights.**

### **(a) Borrower's Obligations.**

Lender may allow me, or a Person who takes over my rights and obligations, to delay or to change the amount of the Periodic Payments. Even if Lender does this, however, I will still be fully obligated under the Note and under this Security Instrument unless Lender agrees to release me, in writing, from my obligations.

Lender may allow those delays or changes for me or a Person who takes over my rights and obligations, even if Lender is requested not to do so. Even if Lender is requested to do so, Lender will not be required to (1) bring a lawsuit against me or such a Person for not fulfilling obligations under the Note or under this Security Instrument, or (2) refuse to extend time for payment or otherwise modify amortization of the Sums Secured.

### **(b) Lender's Rights.**

Even if Lender does not exercise or enforce any right of Lender under this Security Instrument or under Applicable Law, Lender will still have all of those rights and may exercise and enforce them in the future. Even if: (1) Lender obtains insurance, pays taxes, or pays other claims, charges or Liens against the Property; (2) Lender accepts payments from third Persons; or (3) Lender accepts payments in amounts less than the amount then due, Lender will have the right under Section 22 below to demand that I make Immediate Payment in Full of any amounts remaining due and payable to Lender under the Note and under this Security Instrument.

**13. Obligations of Borrower And of Persons Taking Over Borrower's Rights or Obligations.** If more than one Person signs this Security Instrument as Borrower, each of us is fully obligated to keep all of Borrower's promises and obligations contained in this Security Instrument. Lender may enforce Lender's rights under this Security Instrument against each of us individually or against all of us together. This means that any one of us may be required to pay all of the Sums Secured. However, if one of us does not sign the Note: (a) that Person is signing this Security Instrument only to give that Person's rights in the Property to Lender under the terms of this Security Instrument; (b) that Person is not personally obligated to pay the Sums Secured; and (c) that Person agrees that Lender may agree with the other Borrowers to delay enforcing any of Lender's rights, to modify, or make any accommodations with regard to the terms of this Security Instrument or the Note without that Person's consent.

*JMB*

*NH*

Subject to the provisions of Section 18 of this Security Instrument, any Person who takes over my rights or obligations under this Security Instrument in writing, and is approved by Lender in writing, will have all of my rights and will be obligated to keep all of my promises and agreements made in this Security Instrument. Borrower will not be released from Borrower's obligations and liabilities under this Security Instrument unless Lender agrees to such release in writing. Any Person who takes over Lender's rights or obligations under this Security Instrument will have all of Lender's rights and will be obligated to keep all of Lender's promises and agreements made in this Security Instrument except as provided under Section 20.

**14. Loan Charges.** Lender may charge me fees for services performed in connection with my default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. With regard to other fees, the fact that this Security Instrument does not expressly indicate that Lender may charge a certain fee does not mean that Lender cannot charge that fee. Lender may not charge fees that are prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to Applicable Law which sets maximum loan charges, and that Applicable Law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed permitted limits: (a) any such loan charge will be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (even if a prepayment charge is provided for under the Note). If I accept such a refund that is paid directly to me, I will waive any right to bring a lawsuit against Lender because of the overcharge.

**15. Notices Required under this Security Instrument.** All notices given by me or Lender in connection with this Security Instrument will be in writing. Any notice to me in connection with this Security Instrument is considered given to me when mailed by first class mail or when actually delivered to my notice address if sent by other means. Notice to any one Borrower will be notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address is the address of the Property unless I give notice to Lender of a different address. I will promptly notify Lender of my change of address. If Lender specifies a procedure for reporting my change of address, then I will only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender will be given by delivering it or by mailing it by first class mail to Lender's address stated on the first page of this Security Instrument unless Lender has given me notice of another address. Any notice in connection with this Security Instrument is given to Lender when it is actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

**16. Law That Governs this Security Instrument; Word Usage.** This Security Instrument is governed by federal law and the law of New York State. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might allow the parties to agree by contract or it might be silent, but such silence does not mean that Lender and I cannot agree by contract. If any term of this Security Instrument or of the Note conflicts with Applicable Law, the conflict will not affect other provisions of this Security Instrument or the Note which can operate, or be given effect, without the conflicting provision. This means that the Security Instrument or the Note will remain as if the conflicting provision did not exist.

~~As used in this Security Instrument: (a) words of the masculine gender mean and include corresponding words of the feminine and neuter genders; (b) words in the singular mean and include the plural, and words in the plural mean and include the singular; and (c) the word "may" gives sole discretion without any obligation to take any action.~~

**17. Borrower's Copy.** I will be given one copy of the Note and of this Security Instrument.

**18. Agreements about Lender's Rights If the Property Is Sold or Transferred.** Lender may require Immediate Payment in Full of all Sums Secured by this Security Instrument if all or any part of the Property, or if any right in the Property, is sold or transferred without Lender's prior written permission. If Borrower is not a natural Person and a beneficial interest in Borrower is sold or transferred without Lender's prior written permission, Lender also may require Immediate Payment in Full. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender requires Immediate Payment in Full under this Section 18, Lender will give me a notice which states this requirement. The notice will give me at least 30 days to make the required payment. The 30-day period will begin on the date the notice is given to me in the manner required by Section 15 of this Security Instrument. If I do not make the required payment during that period, Lender may act to enforce its rights under this Security Instrument without giving me any further notice or demand for payment.

**19. Borrower's Right to Have Lender's Enforcement of this Security Instrument Discontinued.** Even if Lender has required Immediate Payment in Full, I may have the right to have enforcement of this Security Instrument stopped. I will have this right at any time before the earliest of: (a) five days before sale of the Property under any power of sale granted by this Security Instrument; (b) another period as Applicable Law might specify for the termination of my right to have enforcement of the Loan stopped; or (c) a judgment has been entered enforcing this Security Instrument. In order to have this right, I will meet the following conditions:

- (a) I pay to Lender the full amount that then would be due under this Security Instrument and the Note as if Immediate Payment in Full had never been required;
- (b) I correct my failure to keep any of my other promises or agreements made in this Security Instrument;
- (c) I pay all of Lender's reasonable expenses in enforcing this Security Instrument including, for example, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and
- (d) I do whatever Lender reasonably requires to assure that Lender's interest in the Property and rights under this Security Instrument and my obligations under the Note and under this Security Instrument continue unchanged.

Lender may require that I pay the sums and expenses mentioned in (a) through (d) in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer.

If I fulfill all of the conditions in this Section 19, then this Security Instrument will remain in full effect as if Immediate Payment in Full had never been required. However, I will not have the right to have Lender's enforcement of this Security Instrument discontinued if Lender has required Immediate Payment in Full under Section 18 of this Security Instrument.

**20. Note Holder's Right to Sell the Note or an Interest in the Note; Borrower's Right to Notice of Change of Loan Servicer; Lender's and Borrower's Right to Notice of Grievance.** The Note, or an interest in the Note, together with this Security Instrument, may be sold one or more times. I might not receive any prior notice of these sales.

The entity that collects the Periodic Payments and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law is called the "Loan Servicer." There may be a change of the Loan Servicer as a result of the sale of the Note. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. Applicable Law requires that I be given written notice of any change of the Loan Servicer. The notice will state the name and address of the new Loan Servicer, and also tell me the address to which I should make my payments. The notice also will contain any other information required by RESPA or Applicable Law. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to me will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither I nor Lender may commence, join or be joined to any court action (as either an individual party or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other has not fulfilled any of its obligations under this Security Instrument, unless the other is notified (in the manner required under Section 15 of this Security Instrument) of the unfulfilled obligation and given a reasonable time period to take corrective action. If Applicable Law provides a time period which will elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to me under Section 22 and the notice of the demand for payment in full given to me under Section 22 will be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20. All rights under this paragraph are subject to Applicable Law.

**21. Continuation of Borrower's Obligations to Maintain and Protect the Property.** The federal laws and the laws of New York State that relate to health, safety or environmental protection are called "Environmental Law." Environmental Law classifies certain substances as toxic or hazardous. There are other substances that are considered hazardous for purposes of this Section 21. These substances are gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. The substances defined as toxic or hazardous by Environmental Law and the substances considered hazardous for purposes of this Section 21 are called "Hazardous Substances." "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law. An "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

I will not do anything affecting the Property that violates Environmental Law, and I will not allow anyone else to do so. I will not cause or permit Hazardous Substances to be present on the Property. I will not use or store Hazardous Substances on the Property. I also will not dispose of Hazardous Substances on the Property, or release any Hazardous Substance on the Property, and I will not allow anyone else to do so. I also will not do, nor allow anyone else to do, anything affecting the Property that: (a) is in violation of any Environmental Law; (b) creates an Environmental Condition; or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The promises in this paragraph do not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized as appropriate for normal residential use and maintenance of the Property (including, but not limited to, Hazardous Substances in consumer products). I may use or store these small quantities on the Property. In addition, unless Environmental Law requires removal or other action, the buildings, the improvements and the fixtures on the Property are permitted to contain asbestos and asbestos-containing materials if the asbestos and asbestos-containing materials are undisturbed and "non-friable" (that is, not easily crumbled by hand pressure).

I will promptly give Lender written notice of: (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which I have actual knowledge; (b) any Environmental Condition, including but not limited to, any spillage, leaking, discharge, release or threat of release of any Hazardous Substance; and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If I learn, or any governmental or regulatory authority, or any private party, notifies me that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, I will promptly take all necessary remedial actions in accordance with Environmental Law.

Nothing in this Security Instrument creates an obligation on Lender for an Environmental Cleanup.

#### NON-UNIFORM COVENANTS

I also promise and agree with Lender as follows:

**22. Lender's Rights If Borrower Fails to Keep Promises and Agreements.** Except as provided in Section 18 of this Security Instrument, if all of the conditions stated in subsections (a), (b) and (c) of this Section 22 are met, Lender may require that I pay immediately the entire amount then remaining unpaid under the Note and under this Security Instrument. Lender may do this without making any further demand for payment. This requirement is called "Immediate Payment in Full."

If Lender requires Immediate Payment in Full, Lender may bring a lawsuit to take away all of my remaining rights in the Property and have the Property sold. At this sale Lender or another Person may acquire the Property. This is known as "Foreclosure and Sale." In any lawsuit for Foreclosure and Sale, Lender will have the right to collect all costs and disbursements and additional allowances allowed by Applicable Law and will have the right to add all reasonable attorneys' fees to the amount I owe Lender, which fees shall become part of the Sums Secured.

Form 3033 1/01

Lender may require Immediate Payment in Full under this Section 22 only if all of the following conditions are met:

- (a) I fail to keep any promise or agreement made in this Security Instrument or the Note, including, but not limited to, the promises to pay the Sums Secured when due, or if another default occurs under this Security Instrument;
- (b) Lender sends to me, in the manner described in Section 15 of this Security Instrument, a notice that states:
  - (1) The promise or agreement that I failed to keep or the default that has occurred;
  - (2) The action that I must take to correct that default;
  - (3) A date by which I must correct the default. That date will be at least 30 days from the date on which the notice is given;
  - (4) That if I do not correct the default by the date stated in the notice, Lender may require Immediate Payment in Full, and Lender or another Person may acquire the Property by means of Foreclosure and Sale;
  - (5) That if I meet the conditions stated in Section 19 of this Security Instrument, I will have the right to have Lender's enforcement of this Security Instrument stopped and to have the Note and this Security Instrument remain fully effective as if Immediate Payment in Full had never been required; and
  - (6) That I have the right in any lawsuit for Foreclosure and Sale to argue that I did keep my promises and agreements under the Note and under this Security Instrument, and to present any other defenses that I may have; and
- (c) I do not correct the default stated in the notice from Lender by the date stated in that notice.

**23. Lender's Obligation to Discharge this Security Instrument.** When Lender has been paid all amounts due under the Note and under this Security Instrument, Lender will discharge this Security Instrument by delivering a certificate stating that this Security Instrument has been satisfied. I will pay all costs of recording the discharge in the proper official records. I agree to pay a fee for the discharge of this Security Instrument, if Lender so requires. Lender may require that I pay such a fee, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted by Applicable Law.

**24. Agreements about New York Lien Law.** I will receive all amounts lent to me by Lender subject to the trust fund provisions of Section 13 of the New York Lien Law. This means that I will: (a) hold all amounts which I receive and which I have a right to receive from Lender under the Note as a trust fund; and (b) use those amounts to pay for "Cost of Improvement" (as defined in Section 13 of the New York Lien Law) before I use them for any other purpose. The fact that I am holding those amounts as a trust fund means that for any building or other improvement located on the Property I have a special responsibility under the law to use the amount in the manner described in this Section 24.

**25. Borrower's Statement Regarding the Property [check box as applicable].**

**FIXED/ADJUSTABLE RATE RIDER  
(1 Year Libor Index - Rate Caps)**

Loan #: 125618988-PERM

THIS ADJUSTABLE RATE RIDER is made this 27th day of July, 2007, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to INDYMAC BANK, F. S. B., a federally chartered savings bank (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

217 FREEBORNE STREET  
STATEN ISLAND, NY 10306

[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

**A. INTEREST RATE AND MONTHLY PAYMENT CHANGES**

The Note contains the following provisions: This Note, as amended by the attached Residential Construction Loan Addendum Amending Note (the "Addendum"), represents both a construction/home improvement loan and a permanent mortgage loan. During the Construction Period of the loan, the Note Holder will advance funds in accordance with the Residential Construction Loan Agreement. The "Construction Period" is defined as the period beginning on the date of the Note and ending on the first day of the month preceding the due date of the first monthly payment of principal and interest stated in the Note ("Permanent Loan Commencement Date") if Completion (as defined in the Residential Construction Loan Agreement) has occurred before that date in accordance with the Residential Construction Loan Agreement. If Completion has not occurred by that date, I will be in default under the Addendum and under this Note. If Completion has occurred prior to the Permanent Loan Commencement Date, then the loan evidenced by this Note will automatically become a permanent mortgage loan on the Permanent Loan Commencement Date, and the provisions of the Addendum will cease to be in effect and all terms and conditions of the loan will be as set forth in this Note on the Permanent Loan Commencement Date.

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 9.000 %. The interest rate I will pay will change in accordance with Section 4 of this Note.

The interest rate required by this Section 2 and Section 4 of this Note is the rate I will pay both before and after any default described in Section 7(B) of this Note.

#### **4. INTEREST RATE AND MONTHLY PAYMENT CHANGES**

##### **(A) Change Dates**

The interest rate I will pay may change on the 1st day of August, 2011, and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

##### **(B) The Index**

Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the average of Interbank offered rates for one-year U.S. dollar-denominated deposits in the London market ("Libor"), as published in The Wall Street Journal.

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

##### **(C) Calculation of Changes**

Before each Change Date, the Note Holder will calculate my new interest rate by adding Three and Three Quarters percentage points ( 3.750 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

##### **(D) Limits on Interest Rate Changes**

The interest rate I am required to pay at the first Change Date will not be greater than 11.000 % or less than 7.000 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than Two percentage points ( 2.000 %) from the rate of interest I have been paying for the preceding 12 months. My interest rate will never be greater than 15.000 %.

##### **(E) Effective Date of Changes**

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

**(F) Notice of Changes**

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

**B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER**

1. Until Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, Uniform Covenant 18 of the Security Instrument shall read as follows:

**Transfer of the Property or a Beneficial Interest in Borrower.** As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

2. When Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, Uniform Covenant 18 of the Security Instrument described in Section B1 above shall then cease to be in effect, and the provisions of Uniform Covenant 18 of the Security Instrument shall be amended to read as follows:

**Transfer of the Property or a Beneficial Interest in Borrower.** As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

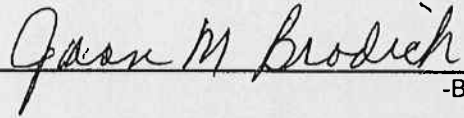

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.

"Security Instrument" means the Deed of Trust/Mortgage/Security Deed/Security Instrument of even date signed by Borrower in favor of Lender.

THIS RESIDENTIAL CONSTRUCTION LOAN RIDER shall be deemed to amend and supplement the Security Instrument of the same date given by the Borrower to secure Borrower's Note to Lender of the same date and covering the Property described in the Security Instrument.

**AMENDED AND ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

1. **Residential Construction Loan Agreement.** Borrower agrees to comply with the covenants and conditions of the Agreement between Borrower, Lender and Contractor, which is incorporated herein by this reference and made a part of this Security Instrument. The Agreement provides for the construction of certain Improvements on the Property. All advances made by Lender pursuant to the Agreement shall be an indebtedness of Borrower secured by this Security Instrument as amended, and such advances may be obligatory under the terms of the Agreement. The Security Instrument secures the payment of all sums and the performance of all covenants required by Lender in the Agreement. Upon the failure of Borrower to keep and perform all the covenants, conditions and agreements of the Agreement, the principal sum and all interest and other charges provided for in the loan documents and secured hereby shall, at the option of the Lender, become due and payable.

2. **Security Instrument.** This Security Instrument is a "construction mortgage" securing an obligation incurred for the construction of Improvements on the Property including the acquisition cost of the Property, if any, and any notes issued in extension, renewal, or substitution thereof. Borrower affirms, acknowledges and warrants that prior to the recordation of this Security Instrument, as amended, in the appropriate Real Property Records of the State of New York, no Improvements contemplated by the Loan Agreement have been constructed, no work has been performed, and no materials have been ordered or delivered.

3. **Future Advances.** This Security Instrument shall secure in addition to the sum evidenced by the Note all funds hereafter advanced by Lender to or for the benefit of Borrower, as contained in the Contract and/or the Agreement for the construction of Improvements on the mortgaged property or for any other purpose. All future advances shall be made within the time limit authorized by the laws of this state. To the extent that moneys advanced by Lender are used to pay for the costs of acquiring the Property, this mortgage shall be a purchase money security interest.

4. **Disbursements to Protect Security.** All sums disbursed by Lender prior to completion of the Improvements to protect the security of this Security Instrument, up to the principal amount of the Note and any future advances, shall be treated as disbursements pursuant to the Agreement. All such sums shall bear interest from the date of disbursement at the rate stated in the Note, unless the collection from Borrower of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate which may be collected from Borrower under applicable law and shall be payable upon notice from Lender to Borrower requesting payment therefore.

5. **Assignment of Rights or Claims.** From time to time as Lender deems necessary to protect Lender's interest, Borrower shall, upon request of Lender, execute, acknowledge before a notary, and deliver to Lender, assignments of any and all rights or claims which relate to the construction on the Property.

**6. Breach by Borrower.**

a. Upon the occurrence of a breach under any of the Loan Documents, Lender at its option, may (a) declare all sums owing under the Agreement, the Note and the other Loan Documents immediately due and payable; (b) disburse and incur such expenses to preserve the Property and Improvements as security; (c) terminate its commitment to lend and any obligation to make any further disbursements of the Loan; (d) set-off and apply, to the extent thereof and to the maximum extent permitted by law, any and all deposits, funds or assets at any time held and any and all indebtedness at any time owing by Lender to or for the credit or account of Borrower against the Loan; (e) exercise any and all rights and remedies afforded by the Security Instrument, the Agreement, the other Loan Documents, law, equity or otherwise; and (f) in its own name or in the name of Borrower, enter into possession of the Property, perform all work necessary to complete the construction of the Improvements substantially in accordance with the plans and specifications (as modified as deemed necessary by Lender), the Loan Documents, laws, and governmental requirements, and continue to employ any contractor or subcontractor pursuant to applicable contracts or otherwise. The remedies provided in this Paragraph shall be in addition to other remedies provided by law, equity, or the Loan Documents.

b. All costs and expenses paid or incurred by Lender pursuant to the foregoing subparagraph of this paragraph shall be deemed to be advanced to Borrower and shall be a part of the indebtedness evidenced by the Note and secured by the Security Instrument. At the option of Lender, such sums may be deducted from any advance thereafter becoming due.

c. Nothing herein contained shall be deemed to waive any right given to Lender pursuant to the applicable law relating to mechanic's, artisan's and materialman's liens.

**7. Termination of Agreement upon Amortization.** After the commencement of amortization of the Note, the terms of the Agreement (except to the extent Lender is indemnified therein) shall be null and void, and there shall be no claim or defense arising out of or in connection with the Agreement against the obligations of the Note and this Security Instrument.

**8. Property.** The property covered by this Security Instrument includes the property described or referred to in this Security Instrument, together with the following, all of which are referred to as the "Property." The portion of the Property described below which constitutes real property is sometimes referred to as the "Real Property." The portion of the Property which constitutes personal property is sometimes referred to as the "Personal Property," listed as follows:

refrigerating, cooking and laundry equipment; carpet, floor coverings and interior and exterior window treatments; furniture and cabinets; interior and exterior sprinkler plant and lawn maintenance equipment; fire prevention and extinguishing apparatus and equipment, water tanks, swimming pool, compressor, vacuum cleaning system, disposal, dishwasher, range, and oven, any shrubbery and landscaping; any and all plans and specifications for development of or construction of Improvements upon the Property; any and all contracts and subcontracts relating to the Property; any and all accounts, contract rights, instruments, documents, general intangibles, and chattel paper arising from or by virtue of any transactions related to the Property; any and all permits, licenses, franchises, certifications, and other rights and privileges obtained in connection with the Property; any and all products and proceeds arising from or by virtue of the sale, lease, or other disposition of any of the Property; any and all proceeds payable or to be payable under each policy of insurance relating to the Property; any and all proceeds arising from the taking of all or part of the Property for any public or quasi-public use under any law, or by right of eminent domain, or by private or other purchase in lieu thereof; all building permits, certificates of occupancy, certificates of compliance, any right to use utilities of any kind including water, sewage, drainage and any other utility rights, however arising whether private or public, present or future, including any reservation, permit, letter, certificate, license, order, contract or otherwise and any other permit, letter, certificate, license, order, contract or other document or approval received from or issued by any governmental entity, quasi-governmental entity common carrier, or public utility in any way relating to any part of the Property or the Improvements, fixtures and equipment thereon; all other interests of every kind and character which Borrower now has or at any time hereafter acquires in and to the Property, including all other items of property and rights described elsewhere in this Security Instrument.

The Personal Property also includes the Borrower's Funds Account, together with any interest accruing thereon and proceeds thereof.

**9. Security Agreement and Financing Statement.** This Security Instrument shall be a security agreement granting Lender a first and prior security interest in all of Borrower's right, title and interest in, to and under the Personal Property, under and within the meaning of applicable statutes of this state, as well as a Mortgage and/or a Deed of Trust granting a lien upon and against the Real Property. In the event of any foreclosure sale all of the Real and Personal Property may, at the option of Lender, be sold as a whole or in any part. It shall not be necessary to have present at the place of such sale the Personal Property or any part thereof. Lender shall have all the rights, remedies and recourses with respect to the Personal Property afforded to a "Secured Party" by the applicable statutes of this state in addition to and not in limitation of the other rights and recourse afforded Lender under this Security Instrument. Borrower shall, upon demand, pay to Lender the amount of any and all expenses, including the fees and disbursements of Lender's legal counsel and of any experts and agents which Lender may incur in connection with: (i) the making and/or administration of this Security Instrument; (ii) the custody, preservation, use or operation of, or the sale of, collection from, or other realization upon any property, real and/or personal, described in this Security Instrument, (iii) the exercise or enforcement of any of the rights of Lender under this Security Instrument; or (iv) the failure by Borrower to perform or observe any of the provisions or covenants in this Security Instrument; or (v) any actions taken by Lender for any reason whatsoever in any case or proceeding under Chapter 7, 11, or 13 of the Bankruptcy Code or any successor statute thereto, including, but not limited to, action taken with respect to issues particular to federal bankruptcy law.

In the event the Improvements are not completed according to the plans and specifications approved by Lender, and it is determined for whatever reason the Lender does not have a lien arising by or through Borrower, then Lender shall have a valid lien for its loan amount, less the amount reasonably necessary to complete the Improvements, or in such event Lender, at its option, shall have the right to complete the Improvements, and the lien shall be valid for the loan amount.

**11. MODIFICATION AGREEMENT  
(Roll-to-Perm)

Product: Mod ARM to 5-7-10/1 LIB

Loan Number: [REDACTED]

This Modification Agreement ("Agreement") is made as of October 1, 2008 by  
Nicholas Hershewe, an Unmarried Man and Joan M. Brodick

("Borrower") and IndyMac Federal Bank, FSB, ("Lender").

Factual Background

A. Under a construction loan agreement dated July 27, 2007 (the "Construction Loan Agreement"), Lender agreed to make a loan (the "Loan") to Borrower. Capitalized terms used here without definition have the meanings given to them in the Construction Loan Agreement.

B. The Loan is evidenced by a Note dated July 27, 2007 (the "Note"), made payable to Lender in the stated principal amount of \$500,900.00. The Note is secured by a Mortgage, Deed of Trust or Security Deed (the "Security Instrument") dated as of the date of the Note.

C. As used here, the term "Loan Documents" means the Construction Loan Agreement, the Note, the Security Instrument, and any other documents executed in connection with the Loan, including those which evidence, guaranty, secure or modify the Loan, as any or all of them may have been amended to date. This Agreement is a Loan Document.

D. As of the date of this Agreement, the outstanding principal balance of the Loan is \$500,900.00. This principal balance is calculated without regard to any principal payments which are required under this Agreement.

E. Borrower and Lender now wish to modify the Loan as set forth below.

F. THIS AGREEMENT MODIFIES THE NOTE TO CHANGE THE INTEREST RATE AND MONTHLY PAYMENT, PROVIDES FOR A CHANGE IN THE INITIAL FIXED INTEREST RATE TO AN ADJUSTABLE INTEREST RATE AND LIMITS THE AMOUNT THE ADJUSTABLE INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE.

Agreement

Therefore, Borrower and Lender agree as follows:

1. Unpaid Principal Balance. As of the conversion from the Construction Phase to the Permanent Phase of the loan the amount payable under the Note and Security Instrument (the "Unpaid Principal Balance") will be U.S. \$500,900.00 excluding any interest owing to date.

**2. Interest Rate and Monthly Payment Amount.**

Sections 2, 3 and 4 are amended to read as follows:

**"2. INTEREST**

Interest will be charged on unpaid principal until the full amount of principal has been paid. I will pay interest at a yearly rate of 7.250 %. The interest rate I will pay may change in accordance with Section 4 of this Note.

The interest rate required by this Section 2 and Section 4 of this Note is the rate I will pay both before and after any default described in Section 7(B) of this Note.

**3. PAYMENTS**

**(A) Time and Place of Payments**

I will pay Principal and interest by making a payment every month.

I will make my monthly payment on the first day of each month beginning on November 1, 2008. I will make these payments every month until I have paid all of the Principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on October 1, 2038, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at  
155 NORTH LAKE AVENUE  
PASADENA, CA 91101

or at a different place if required by the Note Holder.

**(B) Amount of My Initial Monthly Payments**

Each of my initial monthly payments will be in the amount of U.S. \$3,417.02. This amount may change.

**(C) Monthly Payment Changes**

Changes in my monthly payment will reflect changes in the unpaid principal of my loan and in the interest rate that I must pay. The Note Holder will determine my new interest rate and the changed amount of my monthly payment in accordance with Section 4 of this Note.

**4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES**

**(A) Change Dates**

The initial fixed interest rate I will pay will change to an adjustable interest rate on the first day of October, 2013, and the adjustable interest rate I will pay may change on that day every 12th month thereafter. The date on which my initial fixed interest rate changes to an adjustable interest rate, and each date on which my adjustable interest rate could change, is called a "Change Date."

**(B) The Index**

Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the average of interbank offered rates for one-year U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in *The Wall Street Journal*. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

**(C) Calculation of Changes**

Before each Change Date, the Note Holder will calculate my new interest rate by adding Two and Three Quarters percentage point(s) ( 2.750 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

**(D) Limits on Interest Rate Changes**

The interest rate I am required to pay at the first Change Date will not be greater than 12.250 % or less than 2.750 %. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by more than two percentage point(s) (2.0%) from the rate of interest I have been paying for the preceding 12 months. My interest rate will never be greater than 12.250 %.

**(E) Effective Date of Changes**

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

**(F) Notice of Changes**

The Note Holder will deliver or mail to me a notice of any changes in my initial fixed interest rate to an adjustable interest rate and of any change in my adjustable interest rate before the effective date of any change. The notice will include the amount of my monthly payment, any information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice."

**3. Prepayment Penalty.** If one of the following boxes is initialed by the Borrower(s), then that provision shall apply.

☐ N/A N/A a. Prepayment Provisions Unchanged. If the box at the left of this paragraph is initialed by the Borrower, then an Addendum to Note entitled "Addendum to Adjustable Rate Note" or "Addendum to Fixed Rate/Balloon Note" that was executed together with the original Note continues in effect and is not changed by this Agreement.

☐ N/A N/A b. Prepayment Provisions Amended. If the box at the left of this paragraph is initialed by the Borrower, then an Addendum to Note entitled "Addendum to Adjustable Rate Note" or "Addendum to Fixed Rate/Balloon Note" is being executed together with this agreement. The prepayment provisions shall be in effect as of July 27, 2007, which is the date of the original Note. The prepayment Addendum to Note is incorporated herein by this reference, except the reference to Section 4 or 5 of the Note shall mean the section of the Note entitled "Borrower's Right to Prepay" regardless of its numbering.

4. Truth and Accuracy of Recitals; Acknowledgment of Indebtedness. The Borrower acknowledges the truth and accuracy of the recitals set forth above in the Factual Background and that it is liable and indebted to Lender for the principal amount set forth above together with interest thereon at the rate specified in the Note and all other fees, charges and expenses accrued and unpaid under the Loan Documents (the "Indebtedness"). Borrower acknowledges that: (i) it has no defense, counterclaim, offset, cross-complaint, claim or demand of any kind or nature whatsoever to reduce or eliminate all or any part of its liability to repay the Indebtedness which is due, owing and unpaid; (ii) nothing but full and complete performance of all of its obligations in the payment of its Indebtedness shall satisfy and discharge its liability to Lender, and (iii) the Loan Documents are in full force and effect, are duly executed and delivered to Lender and constitute valid, binding agreements and obligations, are enforceable in accordance with their terms, and are hereby reaffirmed. Borrower hereby irrevocably waives and relinquishes all rights, if any, to directly or indirectly challenge, attack or dispute the Loan Documents, Lender's lien interest in the Property, the Indebtedness, or any actions of Lender taken or omitted to be taken in connection therewith. Borrower further acknowledges that, notwithstanding Lender's willingness to enter into this Agreement, Lender has made no representations regarding, and shall have no obligation to make, any further modifications to the Loan Documents.

5. Security Instrument. The Security Instrument secures payment and performance of the Loan as amended to date, in addition to all other secured obligations as therein defined.

6. Conditions Precedent. Before this Agreement becomes effective and any party becomes obligated under it, all of the following conditions shall have been satisfied at Borrower's sole cost and expense in a manner acceptable to Lender in the exercise of Lender's sole judgment:

(a) Lender shall have received such assurance as Lender may require that the validity and priority of the Security Instrument has not been and will not be impaired by this Agreement or the transactions contemplated by it.

(b) Lender shall have received fully executed and, where appropriate, acknowledged originals of this Agreement and any other documents which Lender may require or request in accordance with this Agreement or the other Loan Documents.

7. Incorporation. This Agreement shall form a part of each Loan Document, and all references to a given Loan Document shall mean that document as hereby modified.

8. No Prejudice; Reservation of Rights. This Agreement shall not prejudice any rights or remedies of Lender under the Loan Documents. Lender reserves, without limitation, all rights, which it has against any indemnity, grantor, or endorser of the Note.

9. No Impairment. Except as specifically hereby amended, the Loan Documents shall each remain unaffected by this Agreement and all such documents shall remain in full force and effect.

10. Integration. The Loan Documents, including this Agreement: (a) integrate all the terms and conditions mentioned in or incidental to the Loan Documents; (b) supersede all oral negotiations and prior and other writings with respect to their subject matter; and (c) are intended by the parties as the final expression of the agreement with respect to the terms and conditions set forth in those documents and as the complete and exclusive statement of the terms agreed to by the parties. If there is any conflict between the terms, conditions and provisions of this Agreement and those of any other agreement or instrument, including any of the other Loan Documents, the terms, conditions and provisions of this Agreement shall prevail.

# ADJUSTABLE RATE MORTGAGE LOAN PROGRAM DISCLOSURE NON-CONVERTIBLE 5/1 LIBOR ARM

Date: October 1, 2008

Loan #: 129628642

This disclosure describes the features of an Adjustable Rate Mortgage (ARM) program you are considering, which is called the "Non-Convertible 5/1 LIBOR ARM." The interest rate and payment of this loan may each change during the term of this loan.

It is important to know that with adjustable rate mortgages, your payment and rate may increase significantly over time.

Information on other ARM programs available from the lender will be provided upon request.

## HOW YOUR INTEREST RATE AND PAYMENT ARE DETERMINED

- Your interest rate will be based on an index rate plus a Margin, rounded to the nearest .125%, unless your interest rate caps limit the amount of change in the interest rate. The "Margin" is the amount that will be added to the index rate to determine your interest rate. Once the Margin is established for your loan, the Margin will not change throughout the term of the loan. Please ask us for our current interest rates and Margins.
- Your initial interest rate may not be equal to an index rate plus a Margin. If the initial interest rate is below the then current index rate plus Margin (the "fully-indexed interest rate"), then the initial interest rate will be a "Discounted" interest rate. If the initial interest rate is above the then current fully-indexed interest rate, then the initial interest rate will be a "Premium" interest rate. Please ask us about the current Discount or Premium.
- Your index rate is based on the average of Interbank Offered Rates for one-year U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in The Wall Street Journal. If the index is no longer available, the lender will choose a new index based on comparable information. Since movement of the index is usually related to market conditions that cannot be predicted, it is impossible to know in advance exactly how much interest you will have to pay over the life of the loan. The index rate used in the example below was in effect on December 1, 2007.
- When your payment changes, your new payment will be based on the interest rate, loan balance, and remaining loan term. Therefore, NO NEGATIVE AMORTIZATION WILL EVER OCCUR under this loan program.

## HOW YOUR INTEREST RATE CAN CHANGE

Your interest rate will adjust 60 months after the first payment date and every 12 months thereafter to the index rate value plus the Margin, subject to the following limits:

- Your interest rate will be rounded to the nearest one-eighth percent (.125%).
- On the first change date your interest rate cannot increase or decrease by more than 5.000 percentage points. Thereafter your interest rate cannot increase or decrease by more than 2.000 percentage points per adjustment (the "Periodic Interest Rate Cap").
- Your interest rate over the life of the loan cannot increase or decrease by more than 5.000 percentage points above the initial interest rate. Your interest rate will never be lower than the Margin.
- Approximately 45 days before each interest rate adjustment date, your new interest rate will be determined by adding the Margin to the then current index rate. This sum will be rounded to the nearest one-eighth percent (.125%).

## HOW YOUR PAYMENT CAN CHANGE

Your payment may change on the 61st month and then every 12 months thereafter. Your interest rate and payment may increase or decrease substantially over the life of the loan. Below is an example. This represents loan terms based on your individual circumstances for which you have applied.

**EXAMPLE:**

On a \$10,000, 360-month loan with an initial interest rate of 6.500% in effect on December 1, 2007 the interest rate could rise to a maximum of 11.500%. The initial interest rate reflects a recent Discount of 0.708% and a Margin of 2.750% (your initial interest rate, Premium or Discount and Margin may be different). The following worse case example illustrates what would happen to your payments if the interest rate increased to the maximum lifetime interest cap of 11.500% by the 1st adjustment period and remained there for the term of the loan. The example uses a \$10,000 loan amount, an initial interest rate of 6.500%, a lifetime interest cap of 11.500%, a Discount of 0.708% and a Margin of 2.750%. Your interest rate, Margin, and maximum life of the loan interest rate may be higher or lower.

Loan Term	Initial Payment	Maximum Payment	Month in which Maximum Payment is reached
30 years	\$63.21	\$95.16	Payment 61

To see what your payments (excluding impounds or escrow payments for taxes, insurance and other purposes relating to the security property) would have been during that period, divide your mortgage amount by \$10,000; then multiply the loan payment by the amount. For example, the initial monthly payment for a \$100,000 loan would be:

$$\$100,000 \div \$10,000 = 10$$

$$10 \times \$63.21 = \$632.10$$

**NOTICE OF CHANGE**

You will be notified in writing at least 25, but no more than 120, days before the due date of the first payment that will be at the new level. This notice will contain information about the current and prior index rates on which your current and prior interest rates are based, your current and prior interest rates, new payment amount and loan balance.

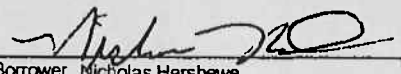

**ASSUMABILITY**

Your loan is not assumable during the initial fixed interest rate period of the loan. During the adjustable interest rate period of the loan, your loan may be assumed subject to certain conditions and restrictions. The borrower who requests the assumption of your loan must qualify for the transaction under the then current underwriting guidelines and will be required to pay an assumption fee.

**PREPAYMENT FEE**

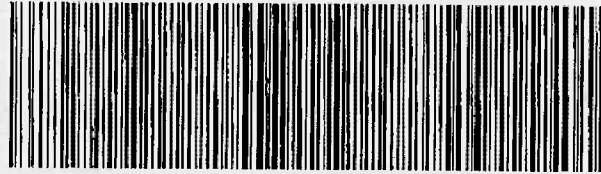

Depending upon the interest rate and terms of your loan, your loan may have a prepayment fee. A prepayment fee is a charge that may be incurred for paying off your loan during the first three years or less of your loan term. **THE PREPAYMENT FEE MAY BE SUBSTANTIAL. REQUIRE THAT YOUR LENDER PROVIDE YOU WITH LOAN TERM QUOTES FOR A LOAN WITH AND WITHOUT A PREPAYMENT PENALTY.** Please ask us if your loan has a prepayment fee.

I/We acknowledge receipt and have read the Adjustable Rate Mortgage Program Disclosure and the Consumer Handbook on Adjustable Rate Mortgages.

**1. My Representations.** I certify, represent to Lender and agree:

- A. I am experiencing a financial hardship, and as a result, (i) I am in default under the Loan Documents, and (ii) I do not have sufficient income or access to sufficient liquid assets to make the monthly mortgage payments now or in the near future;
- B. I live in the Property as my principal residence, and the Property has not been condemned;
- C. There has been no change in the ownership of the Property since I signed the Loan Documents;
- D. I have provided documentation for all income that I receive (and I understand that I am not required to disclose child support or alimony unless I chose to rely on such income when requesting to qualify for the Home Affordable Modification program ("Program"));
- E. Under penalty of perjury, all documents and information I have provided to Lender in connection with this Agreement, including the documents and information regarding my eligibility for the Program, are true and correct;
- F. If Lender requires me to obtain credit counseling in connection with the Program, I will do so; and
- G. I have made or will make all payments required under a Trial Period Plan or Loan Workout Plan.

**2. Acknowledgements and Preconditions to Modification.** I understand and acknowledge that:

- A. If prior to the Modification Effective Date as set forth in Section 3 the Lender determines that any of my representations in Section 1 are no longer true and correct, the Loan Documents will not be modified and this Agreement will terminate. In that event, the Lender will have all of the rights and remedies provided by the Loan Documents; and
- B. I understand that the Loan Documents will not be modified unless and until (i) I receive from the Lender a copy of this Agreement signed by the Lender, and (ii) the Modification Effective Date (as defined in Section 3) has occurred. I further understand and agree that the Lender will not be obligated or bound to make any modification of the Loan Documents if I fail to meet any one of the requirements under this Agreement.

**3. The Modification.** If my representations in Section 1 continue to be true in all material respects and all preconditions to the modification set forth in Section 2 have been met, the Loan Documents will automatically become modified on 1/1/2012 (the "Modification Effective Date") and all unpaid late charges that remain unpaid will be waived. I understand that if I have failed to make any payments as a precondition to this modification under a workout plan or trial period plan, this modification will not take effect. The first modified payment will be due on 1/1/2012.

- A. The new Maturity Date will be: 12/1/2051.

Reference #: [REDACTED]

- B. The modified principal balance of my Note will include all amounts and arrearages that will be past due as of the Modification Effective Date (including unpaid and deferred interest, fees, escrow advances and other costs, but excluding unpaid late charges, collectively, "Unpaid Amounts") less any amounts paid to the Lender but not previously credited to my Loan. The new principal balance of my Note will be \$551,008.46 (the "New Principal Balance"). I understand that by agreeing to add the Unpaid Amounts to the outstanding principal balance, the added Unpaid Amounts accrue interest based on the interest rate in effect under this Agreement. I also understand that this means Interest will now accrue on the unpaid Interest that is added to the outstanding principal balance, which would not happen without this Agreement.
- C. \$14,900.25 of the New Principal Balance shall be deferred (the "Deferred Principal Balance") and I will not pay interest or make monthly payments on this amount. The New Principal Balance less the Deferred Principal Balance shall be referred to as the "Interest Bearing Principal Balance" and this amount is \$536,108.21. Interest at the rate of 2.00000% will begin to accrue on the Interest Bearing Principal Balance as of 12/1/2011 and the first new monthly payment on the Interest Bearing Principal Balance will be due on 1/1/2012. My payment schedule for the modified Loan is as follows:

Years	Interest Rate	Interest Rate Change Date	Monthly Principal and Interest Payment Amount	Estimated Monthly Escrow Payment Amount*	Total Monthly Payment*	Payment Begins On	Number of Monthly Payments
1-5	2.00000%	12/1/2011	\$1,623.47	\$722.30, may adjust periodically	\$2,345.77, may adjust periodically	1/1/2012	60
6	3.00000%	12/1/2016	\$1,886.10	May adjust periodically	May adjust periodically	1/1/2017	12
7-40	4.00000%	12/1/2017	\$2,163.31	May adjust periodically	May adjust periodically	1/1/2018	408

\*The escrow payments may be adjusted periodically in accordance with applicable law and therefore my total monthly payment may change accordingly.

Reference #: [REDACTED]

The above terms in this Section 3.C. shall supersede any provisions to the contrary in the Loan Documents, including but not limited to, provisions for an adjustable or step interest rate.

I understand that, if I have a pay option adjustable rate mortgage loan, upon modification, the minimum monthly payment option, the interest-only or any other payment options will no longer be offered and that the monthly payments described in the above payment schedule for my modified loan will be the minimum payment that will be due each month for the remaining term of the loan. My modified loan will not have a negative amortization feature that would allow me to pay less than the interest due resulting in any unpaid interest to be added to the outstanding principal balance.

- D. I will be in default if I do not comply with the terms of the Loan Documents, as modified by this Agreement.
- E. If a default rate of interest is permitted under the Loan Documents, then in the event of default under the Loan Documents, as amended, the interest that will be due will be the rate set forth in Section 3.C.
- F. I agree to pay in full the Deferred Principal Balance and any other amounts still owed under the Loan Documents by the earliest of: (i) the date I sell or transfer an interest in the Property, (ii) the date I pay the entire Interest Bearing Principal Balance, or (iii) the new Maturity Date.
- G. If I make a partial prepayment of Principal, the Lender may apply that partial prepayment first to any Deferred Principal Balance before applying such partial prepayment to other amounts due.

**4. Additional Agreements.** I agree to the following:

- A. That all persons who signed the Loan Documents or their authorized representative(s) have signed this Agreement, unless (i) a borrower or co-borrower is deceased (ii) the borrower and co-borrower are divorced and the property has been transferred to one spouse in the divorce decree, the spouse who no longer has an interest in the property need not sign this Agreement (although the non-signing spouse may continue to be held liable for the obligation under the Loan Documents); or (iii) the Lender has waived this requirement in writing.

Reference #: [REDACTED]

- B. That this Agreement shall supersede the terms of any modification, forbearance, Trial Period Plan or Workout Plan that I previously entered into with Lender.
- C. To comply, except to the extent that they are modified by this Agreement, with all covenants, agreements, and requirements of Loan Documents including my agreement to make all payments of taxes, insurance premiums, assessments, Escrow Items, impounds, and all other payments, the amount of which may change periodically over the term of my Loan.
- D. Funds for Escrow Items. I will pay to Lender on the day payments are due under the Loan Documents as amended by this Agreement, until the Loan is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over the Mortgage as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under the Loan Documents; (d) mortgage insurance premiums, if any, or any sums payable to Lender in lieu of the payment of mortgage insurance premiums in accordance with the Loan Documents; and (e) any community association dues, fees, and assessments that Lender requires to be escrowed. These items are called "Escrow Items." I shall promptly furnish to Lender all notices of amounts to be paid under this Section 4.D. I shall pay Lender the Funds for Escrow Items unless Lender waives my obligation to pay the Funds for any or all Escrow Items. Lender may waive my obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, I shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. My obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in the Loan Documents, as the phrase "covenant and agreement" is used in the Loan Documents. If I am obligated to pay Escrow Items directly, pursuant to a waiver, and I fail to pay the amount due for an Escrow Item, Lender may exercise its rights under the Loan Documents and this Agreement and pay such amount and I shall then be obligated to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with the Loan Documents, and, upon such revocation, I shall pay to Lender all Funds, and in such amounts, that are then required under this Section 4.D.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under the Real Estate Settlement Procedures Act ("RESPA"), and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

23/7 2000000363 [7/16]

Reference #: [REDACTED]

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge me for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays me interest on the Funds and applicable law permits Lender to make such a charge. Unless an agreement is made in writing or applicable law requires interest to be paid on the Funds, Lender shall not be required to pay me any interest or earnings on the Funds. Lender and I can agree in writing, however, that interest shall be paid on the Funds. Lender shall provide me, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to me for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify me as required by RESPA, and I shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify me as required by RESPA, and I shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by the Loan Documents, Lender shall promptly refund to me any Funds held by Lender.

- E. That the Loan Documents are composed of duly valid, binding agreements, enforceable in accordance with their terms and are hereby reaffirmed.
- F. That all terms and provisions of the Loan Documents, except as expressly modified by this Agreement, remain in full force and effect; nothing in this Agreement shall be understood or construed to be a satisfaction or release in whole or in part of the obligations contained in the Loan Documents; and that except as otherwise specifically provided in, and as expressly modified by, this Agreement, the Lender and I will be bound by, and will comply with, all of the terms and conditions of the Loan Documents.
- G. That, as of the Modification Effective Date, notwithstanding any other provision of the Loan Documents, I agree as follows: If all or any part of the Property or any interest in it is sold or transferred without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by the Mortgage. However, Lender shall not exercise this option if state or federal law, rules or regulations prohibit the exercise of such option as of the date of such sale or transfer. If Lender exercises this option, Lender shall give me notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which I must pay all sums secured by the Mortgage. If I fail to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by the Mortgage without further notice or demand on me.

Reference #: [REDACTED]

- H. That, as of the Modification Effective Date, I understand that the Lender will only allow the transfer and assumption of the Loan, including this Agreement, to a transferee of my property as permitted under the Garn St. Germain Act, 12 U.S.C. Section 1701j-3. A buyer or transferee of the Property will not be permitted, under any other circumstance, to assume the Loan. Except as noted herein, this Agreement may not be assigned to, or assumed by, a buyer or transferee of the Property.
- I. That, as of the Modification Effective Date, if any provision in the Note or in any addendum or amendment to the Note allowed for the assessment of a penalty for full or partial prepayment of the Note, such provision is null and void.
- J. That, I will cooperate fully with Lender in obtaining any title endorsement(s), or similar title insurance product(s), and/or subordination agreement(s) that are necessary or required by the Lender's procedures to ensure that the modified mortgage loan is in first lien position and/or is fully enforceable upon modification and that if, under any circumstance and notwithstanding anything else to the contrary in this Agreement, the Lender does not receive such title endorsement(s), title insurance product(s) and/or subordination agreement(s), then the terms of this Agreement will not become effective on the Modification Effective Date and the Agreement will be null and void.

I understand that a corrected Agreement will be provided to me and this Agreement will be void and of no legal effect upon notice of such error. If I elect not to sign any such corrected Agreement, the terms of the original Loan Documents shall continue in full force and effect, such terms will not be modified by this Agreement, and I will not be eligible for a modification under the Home Affordable Modification program.
